| Produktbeskrivelse:     | ASUS PRIME H410M-A - bundkort - micro-ATX - LGA1200 sokkel - H410 |
| Produkttype:            | Bundkort - micro-ATX                                              |
| Chipsættetype:          | Intel H410                                                        |
| Processor-sokkel:       | 1 x LGA1200 sokkel                                                |
| Kompatible processorer: | (understøtter 10. Generation Intel Core / Pentium Gold / Celeron) |
| Max RAM-størrelse:      | 64 GB                                                             |
| RAM understøttet:       | 2 DIMM slots - DDR4, ikke-ECC, ikke bufferet                      |

### Generelt

|                         |                                                                   |
