|                               |                                                                                                                                                                              |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| SKU                           | 295633-B22                                                                                                                                                                   |
| Produktbeskrivelse:           | HPE - strømkabel - IEC 60320 C19 til IEC 60320 C20 - 2.5 m                                                                                                                   |
| Type:                         | Strømkabel                                                                                                                                                                   |
| Længde:                       | 2.5 m                                                                                                                                                                        |
| Forbindelsesled:              | Strøm IEC 60320 C19                                                                                                                                                          |
| Stikforbindelse (anden ende): | Strøm IEC 60320 C20                                                                                                                                                          |
| Designet for:                 | Modular Smart Array P2000 G3 10GbE iSCSI Dual Controller SFF Array System, P2000 G3 iSCSI Dual Controller SFF Bundle; ProLiant DL580 G2, DL580 G3; Rack; Synergy 12000 Frame |

## Generelt

|         |            |
|---------|------------|
| Type:   | Strømkabel |
| Længde: | 2.5 m      |

## Forbindelse

|                               |                     |
|-------------------------------|---------------------|
| Forbindelsesled:              | Strøm IEC 60320 C19 |
| Stikforbindelse (anden ende): | Strøm IEC 60320 C20 |

## Oplysninger om kompatibilitet

|               |                                                                                                                                                                                                 |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designet for: | HPE Modular Smart Array P2000 G3 10GbE iSCSI Dual Controller SFF Array System, P2000 G3 iSCSI Dual Controller SFF Bundle ; HPE ProLiant DL580 G2, DL580 G3 ; HPE Rack ; HPE Synergy 12000 Frame |
