

# HPE ProLiant ML110 Gen11 - tower - Xeon Bronze 3408U 1.8 GHz

## - 32 GB - no HDD

05-06-2024

|                             |                                                                                  |
|-----------------------------|----------------------------------------------------------------------------------|
| SKU                         | P55639-421                                                                       |
| Produktbeskrivelse:         | HPE ProLiant ML110 Gen11 - tower - Xeon Bronze 3408U 1.8 GHz - 32 GB - ingen HDD |
| Type:                       | Server - tower                                                                   |
| Serverskalerbarhed:         | Envejs                                                                           |
| Processor:                  | 1 x Intel Xeon Bronze 3408U / 1.8 GHz (, op til 1.9 GHz, (8 kerner)              |
| Processor, hovedegenskaber: | Intel Turbo Boost Technology                                                     |
| Cachehukommelse:            | 22.5 MB L3                                                                       |
| Cache pr. processor:        | 22.5 MB                                                                          |

### Generelt

|                      |        |
|----------------------|--------|
| Type:                | Server |
| Produktmodel:        | Tower  |
| Serverskalerbarhed:  | Envejs |
| Antal hot-swap bays: | 8      |

### Processor / Chipset

|                             |                              |
|-----------------------------|------------------------------|
| CPU:                        | Intel Xeon Bronze 3408U      |
| Clock-frekvens:             | 1.8 GHz                      |
| Max Turbo Speed:            | 1.9 GHz                      |
| Antal kerner:               | 8 kerner                     |
| Antal CPU'er:               | 1                            |
| Maks. antal CPU'er:         | 1                            |
| Processor, hovedegenskaber: | Intel Turbo Boost Technology |

### Cachehukommelse

|                        |              |
|------------------------|--------------|
| Installeret størrelse: | L3 - 22.5 MB |
| Cache pr. processor:   | 22.5 MB      |

### RAM

|                        |                           |
|------------------------|---------------------------|
| Installeret størrelse: | 32 GB / 1 TB (maks.)      |
| Teknologi:             | DDR5 SDRAM - Advanced ECC |

### Producentgaranti

|                    |                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------|
| Service & Support: | Begrænset garanti - reservedele og arbejdskraft - 3 år - on-site - responstid: næste forretningsdag |
|--------------------|-----------------------------------------------------------------------------------------------------|

### Operativsystem / Programmer

|           |                                                                                        |
|-----------|----------------------------------------------------------------------------------------|
| Software: | HPE iLO Standard with Intelligent Provisioning, HPE OneView Standard (gratis download) |
|-----------|----------------------------------------------------------------------------------------|

### Effekt

|                              |                                |
|------------------------------|--------------------------------|
| Enhedstype:                  | Strømforsyning - hot-plug      |
| Overskudsspænding:           | Valgfri                        |
| Skema til overskudsspænding: | 1+1 (med valgfrit netaggregat) |
| Antal installeret:           | 1                              |
| Maks. antal understøttet:    | 2                              |
| Strømforsyning:              | 1000 Watt                      |

### Diverse

|                    |                                  |
|--------------------|----------------------------------|
| Udstyr inkluderet: | 2 ikke-hot plug standard blæsere |
|--------------------|----------------------------------|

### Ekspansion / Konnektivitet

|       |                                                                               |
|-------|-------------------------------------------------------------------------------|
| Båse: | 1 (total) / 1 (fri) x ekstern 5.25" ! 8 (total) / 8 (fri) x hot-swap 2.5" SFF |
|-------|-------------------------------------------------------------------------------|

RAM

|             |                              |
|-------------|------------------------------|
| Model:      | DIMM 288-PIN                 |
| Holdere:    | 16 (Total) / 15 (ubrugt)     |
| Egenskaber: | Registreret, HPE SmartMemory |

Harddisk

|       |           |
|-------|-----------|
| Type: | Ingen HDD |
|-------|-----------|

Controller for lagring

|                             |                               |
|-----------------------------|-------------------------------|
| Type:                       | 1 x SATA                      |
| Controller-grænsefladetype: | SATA 6Gb/s                    |
| Storage controllers navn:   | Intel VROC SATA Software RAID |

Optisk lagring

|       |                   |
|-------|-------------------|
| Type: | Intet optisk drev |
|-------|-------------------|

Monitor

|              |        |
|--------------|--------|
| Monitortype: | Ingen. |
|--------------|--------|

Ekspansion / Konnektivitet

|            |                                                                                                                                       |
|------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Holdere:   | 2 (total) / 2 (fri) x PCIe 5.0 x16 ; 1 (total) / 1 (fri) x PCIe 5.0 x16 / Open Compute Project mezzanine (OCP) 3.0 (x16 mode)         |
| Interface: | 1 x VGA ; 2 x LAN (Gigabit Ethernet) ; 1 x HPE iLO - RJ-45 (1 bagtil) ; 3 x USB 3.0 (1 front, 2 bag) ; 1 x HPE iLO - Type A (1 foran) |

Netværk

|                               |                                           |
|-------------------------------|-------------------------------------------|
| Ethernet Ports:               | 2 x Gigabit Ethernet                      |
| Dataforbindelsesprotokol:     | Ethernet, Fast Ethernet, Gigabit Ethernet |
| Remote Management Controller: | Integrated Lights-Out 6                   |

Grafik controller

|                   |       |
|-------------------|-------|
| Videohukommelse:  | 16 MB |
| Video-interfaces: | VGA   |
