

# Intel Core i7 11700K / 3.6 GHz processor - Box (without cooler)

På lager(2)

|                                   |                                                               |
|-----------------------------------|---------------------------------------------------------------|
| SKU                               | BX8070811700K                                                 |
| Produktbeskrivelse:               | Intel Core i7 11700K / 3.6 GHz Processor - Kasse (uden køler) |
| Produkttype:                      | Processor                                                     |
| Processortype:                    | Intel Core i7 11700K (11. Gen)                                |
| Antal kerner:                     | 8 kerner / 16 tråde                                           |
| Cache:                            | 16 MB                                                         |
| Integreret grafik:                | Intel UHD Graphics 750                                        |
| Kompatibel Processor Tilslutning: | LGA1200 Socket                                                |

## Generelt

|              |           |                    |                          |
|--------------|-----------|--------------------|--------------------------|
| Produkttype: | Processor | Service & Support: | Begrænset garanti - 3 år |
|--------------|-----------|--------------------|--------------------------|

## Producentgaranti

## Diverse

|            |                                    |
|------------|------------------------------------|
| Pakketype: | Intel Boxed uden kølelegeme/blæser |
|------------|------------------------------------|

## Integreret grafik

|                                          |                                                                                                                                    |
|------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Type:                                    | Intel UHD Graphics 750                                                                                                             |
| Base frekvens:                           | 350 MHz                                                                                                                            |
| Maks. Dynamisk Frekvens:                 | 1.3 GHz                                                                                                                            |
| Maks. understøttet hukommelsesstørrelse: | 64 GB                                                                                                                              |
| Maks. understøttet opløsning:            | 4096x2160@60 Hz (HDMI), 5120x3200@60 Hz (DP), 5120x3200@60 Hz (eDP)                                                                |
| Funktioner:                              | Intel Clear Video Technology, Intel Clear Video HD Technology, InTRU 3D Technology, Intel Quick Sync Video, Triple Display Capable |

## Processor

|               |                                |
|---------------|--------------------------------|
| Type / Model: | Intel Core i7 11700K (11. Gen) |
| Antal kerner: | 8 kerner                       |
| Antal tråde:  | 16 tråde                       |
| Cache:        | 16 MB                          |

## Processor

Detaljer for cache-  
hukommelse:

Smart Cache - 16 MB

|                                         |                            |
|-----------------------------------------|----------------------------|
| Antal processorer:                      | 1                          |
| Clock-frekvens:                         | 3.6 GHz                    |
| Max Turbo Speed:                        | 5 GHz                      |
| Bushastighed:                           | 8 GT/s                     |
| Kompatibel<br>Processor<br>Tilslutning: | LGA1200 Socket             |
| Fremstillingsproces:                    | 14 nm                      |
| Termisk<br>designeffekt:                | 125 W                      |
| Termisk<br>specifikation:               | 100 °C                     |
| PCI Express-<br>revision:               | 4.0                        |
| PCI Express-<br>konfigurationer:        | 1x16+1x4, 1x8+3x4, 2x8+1x4 |
| Antal PCI Express-<br>spor:             | 20                         |
