

# Lenovo ThinkSystem NetXtreme By Broadcom - network adapter - PCIe 2.0 x4 - Gigabit Ethernet x 2

28-05-2024

|                           |                                                                                                 |
|---------------------------|-------------------------------------------------------------------------------------------------|
| SKU                       | 7ZT7A00482                                                                                      |
| Produktbeskrivelse:       | Lenovo ThinkSystem NetXtreme By Broadcom - netværksadapter - PCIe 2.0 x4 - Gigabit Ethernet x 2 |
| Enhedstype:               | Netværksadapter                                                                                 |
| Model:                    | Indstikskort - lavprofil                                                                        |
| Grænseflade (bus) type:   | PCI Express 2.0 x4                                                                              |
| Porte:                    | Gigabit Ethernet x 2                                                                            |
| Dimensioner (B x D x H):  | 1.9 cm x 10.9 cm x 6.9 cm                                                                       |
| Dataforbindelsesprotokol: | 1GbE                                                                                            |

## Generelt

|                         |                          |
|-------------------------|--------------------------|
| Enhedstype:             | Netværksadapter          |
| Model:                  | Indstikskort - lavprofil |
| Grænseflade (bus) type: | PCI Express 2.0 x4       |

## Netværk

|                           |                            |
|---------------------------|----------------------------|
| Porte:                    | Gigabit Ethernet x 2       |
| Forbindelsesteknologi:    | Kabling                    |
| Dataforbindelsesprotokol: | Gigabit Ethernet           |
| Kapacitet:                | Jumbo-rammestørrelse: 9600 |

|                              |                                                                                                                                                       |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Egenskaber:                  | Datatransport, Jumbo Frames support, teaming support, PXE support, RSS, MSI-X, TSS, iSCSI-boot, TCP/IP checksum offload, UDP/IP checksum offload, MSI |
| Overensstemmelsesstandarder: | IEEE 802.1Q, IEEE 802.3x                                                                                                                              |

## Processor / Hukommelse

|            |                      |
|------------|----------------------|
| Processor: | 1 x Broadcom BCM5719 |
|------------|----------------------|

## Oplysninger om kompatibilitet

|               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

## Ekspansion / Konnektivitet

Interface: 2 x netværk - RJ-45

## Diverse

Udstyr inkluderet: Simpelt beslag, beslag i fuld højde

## Mål og vægt

Bredde: 1.9 cm

Dybde: 10.9 cm

Højde: 6.9 cm

## Producentgaranti

Service & Support: Begrænset garanti - 1 år

## Miljømæssige parametre

Min. driftstemperatur: 0 °C

Maks. driftstemperatur: 55 °C

Fugtighedsgrad ved brug: 20 - 80 % (ikke-kondenserende)
