| Lokalisering:            | Australien, Japan, New Zealand, United Kingdom, Europa, Nordasien                                                                                                                                                                                             |

## Generelt

|                 |                |
|-----------------|----------------|
| Produkttype:    | Dockingstation |
| Bredde:         | 7.4 cm         |
| Dybde:          | 14.8 cm        |
| Højde:          | 2.35 cm        |
| Vægt:           | 1.102 kg       |
| Fås i farverne: | Sort, sølv     |

Lokalisering: Australien, Japan, New Zealand, United Kingdom, Europa, Nordasien

## Ekspansion / Konnektivitet

|            |                                                                                                                                                                                                                                       |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interface: | 2 x USB-C 3.1 / Thunderbolt 3 - 24 pin USB-C<br>  1 x SuperSpeed USB 3.0 with Battery Charging 1.2 - 9 pin USB Type A   1 x SuperSpeed USB 3.0 - 9 pin USB Type A   1 x USB 3.1 Gen 2 - 9 pin USB Type A   1 x USB 3.1 - 24 pin USB-C |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Oplysninger om kompatibilitet

|               |                                             |
|---------------|---------------------------------------------|
| Designet for: | P/N: TB3DK2DPM2, TB3DOCK2DPPD, TB3DOCK2DPPU |
|---------------|---------------------------------------------|

## Miljømæssige parametre

|                         |       |
|-------------------------|-------|
| Min. driftstemperatur:  | 0 °C  |
| Maks. driftstemperatur: | 40 °C |

## Producentgaranti

|                    |                          |
|--------------------|--------------------------|
| Service & Support: | Begrænset garanti - 2 år |
|--------------------|--------------------------|

## Systemkrav

|               |                                                                                                                          |
|---------------|--------------------------------------------------------------------------------------------------------------------------|
| OS nødvendig: | Apple macOS 10.12 - 10.15, Apple macOS 11.0, Microsoft Windows 7 / 8 / 8.1 / 10 / 11, Apple macOS 12.0, Apple macOS 13.0 |
|---------------|--------------------------------------------------------------------------------------------------------------------------|

## Effekt

|                     |                        |
|---------------------|------------------------|
| Strømenhed:         | Strømforsyningsadapter |
| Nødvendig spænding: | AC 120/230 V           |

## Diverse

|                              |                                                                                           |
|------------------------------|-------------------------------------------------------------------------------------------|
| Medfølgende ledninger:       | 1 x Thunderbolt 3/USB-C kabel - eksternt - 50 cm                                          |
| Overensstemmelsesstandarder: | FCC, RoHS, USB Battery Charging Specification Rev. 1.2, UASP (USB Attached SCSI Protocol) |
