| Produktbeskrivelse:      | StarTech.com Quad Port 10G SFP+ Network Card, Intel XL710 Open SFP+ Converged Adapter, PCIe 10 Gigabit Ethernet Server NIC, 10GbE Fiber Optic LAN Card Dell PowerEdge HPE ProLiant, NIC Card - 10Gb SFP+ NIC Card (PEX10GSFP4I) - netværksadapter - PCIe x8 - 10 Gigabit SFP+ x 4 |
| Enhedstype:              | Netværksadapter                                                                                                                                                                                                                                                                   |
| Model:                   | Indstikskort                                                                                                                                                                                                                                                                      |
| Grænseflade (bus) type:  | PCI Express x8                                                                                                                                                                                                                                                                    |
| Porte:                   | 10 Gigabit SFP+ x 4                                                                                                                                                                                                                                                               |
| Dimensioner (B x D x H): | 15 cm x 13.9 cm x 12 cm                                                                                                                                                                                                                                                           |
| Vægt:                    | 129 g                                                                                                                                                                                                                                                                             |

## Generelt

|                         |                 |
|-------------------------|-----------------|
| Enhedstype:             | Netværksadapter |
| Model:                  | Indstikskort    |
| Grænseflade (bus) type: | PCI Express x8  |

## Netværk

|                           |                                                    |
|---------------------------|----------------------------------------------------|
| Porte:                    | 10 Gigabit SFP+ x 4                                |
| Forbindelsesteknologi:    | Kabling                                            |
| Kabeltype:                | Ethernet 10GBase-LR,<br>Ethernet 10GBase-SR        |
| Dataforbindelsesprotokol: | 10 Gigabit Ethernet                                |
| Dataoverførselshastighed: | 20 Gbps                                            |
| Kapacitet:                | Jumbo-<br>rammestørrelse:<br>9000                  |
| Egenskaber:               | Komplet duplex<br>ydeevne, Jumbo<br>Frames support |

|                              |                                                                   |
|------------------------------|-------------------------------------------------------------------|
| Overensstemmelsesstandarder: | IEEE 802.1Q, IEEE<br>802.3x, IEEE 802.3ad<br>(LACP), IEEE 802.3ae |
|------------------------------|-------------------------------------------------------------------|

## Processor / Hukommelse

|            |             |
|------------|-------------|
| Processor: | Intel XL710 |
|------------|-------------|

## Ekspansion / Konnektivitet

|            |                       |
|------------|-----------------------|
| Interface: | 4 x 10GBase-LR - SFP+ |
|------------|-----------------------|

## Diverse

|                              |                         |
|------------------------------|-------------------------|
| Overensstemmelsesstandarder: | FCC, RoHS, WEEE,<br>RCM |
| Farve:                       | Sort                    |

## Miljømæssige parametre

|                          |          |
|--------------------------|----------|
| Min. driftstemperatur:   | 5 °C     |
| Maks. driftstemperatur:  | 50 °C    |
| Fugtighedsgrad ved brug: | 20 - 80% |

## Producentgaranti

|                    |                          |
|--------------------|--------------------------|
| Service & Support: | Begrænset garanti - 2 år |
|--------------------|--------------------------|

## Mål og vægt

|         |         |
|---------|---------|
| Bredde: | 15 cm   |
| Dybde:  | 13.9 cm |
| Højde:  | 12 cm   |
| Vægt:   | 129 g   |

## Programmer / Systemkrav

|                  |                                                                                                                                                                                                                                                                                                                                       |
